Dear Dx Amateur,

Herewith I acknowledge the receipt of your letter for which I thank you. Sorry for not answering your letter earlier. After reading this letter you will understand why.

First I want to introduce myself. My name is Ben. I was ~~born in 1964~~ and live with my wife and two daughters in a small village called Wierden.

I am an international truckdriver for a living, so my life is on the highway across Europe (the reason why I can't answer your letter immediately)

I only have the time when I'm home which is mostly the week-ends. Then I broadcast as much as possible on my pirate radio station which is one of my hobbies.

I started when I was 16 years old till I was 18. Now I have started again since last september 1996 on MG 1636. As I mentioned above Wierden is a small village but there are many pirates in the neighbourhood.

Here is some information about my station:

Transmitter : \_\_\_\_\_  
Power : \_\_\_\_\_  
Frequency : \_\_\_\_\_  
Antenne : \_\_\_\_\_

Once again thanks for your letter and I hope to hear from you soon again.

Bye bye

Ben
